

OFFICIAL POLICY OF GREAT FALLS COMMUNITY BROADCASTING COMPANY

Membership Policy

To be a member of WOOL, a person must pay their membership dues (as set from time to time by the Board of Directors). Dues are valid through to the end of the calendar year. Any dues paid after September 1 will extend through the next calendar year.

In-kind contributions of more than \$500 are entitled to up to two memberships for donors to assign.

Program Hosts and Membership

All program hosts and co-hosts must be members of WOOL and be certified through host training. No exceptions.

Youth Membership

Youth (under 18) are welcome as members and program hosts but are not given any special privileges that may put the station at risk. Testing procedure is the same for all.

Any producer/host under 18 must be a member and have an adult member in good standing present at all times, who is trained and certified on the equipment as well, and who is over 18.

Trained certified members who volunteer to be available to the youth will receive volunteer credit.

Village curfew and state rules on truancy must be followed. Students can only miss school for a show if it is approved by both parents and school administrator.

A parental indemnification form must be signed before the youth may begin training or volunteering in the studio. A parent or guardian must also sign the youth's Host Contract before the youth begins hosting a program.
